TASK 2: APPRENTICE WORKPLACE JOB CARD

Evidence of a real job completed in the apprentice's normal workplace | v2.2

Purpose of this job card

Use this card to record a real job or piece of work you completed for your employer in your normal workplace. Complete it in your own words and include actual measurements, technical information and job outcomes. Your workplace mentor must review the record and complete the verification on page 3.

Apprentice, employer and evidence details

Apprentice name

Date job completed

Employer

Workplace/site

Workplace Mentor name

Mentor job role

Job/reference number

Evidence reference

Vehicle or equipment details

Apprentice reflection

What did you learn or improve while completing this job?

What would you do differently or develop next?

Workplace Mentor verification

The Workplace Mentor should review the job card and confirm that it accurately records work completed by the apprentice in the workplace.

- [ ] The apprentice completed the work described
- [ ] Safe working and suitable PPE were demonstrated
- [ ] Tools and technical information were used appropriately
- [ ] Relevant quality and final checks were completed
- [ ] The job record and outcomes are clear and accurate

Workplace Mentor comments and feedback

- [ ] I confirm that I observed or reviewed this work, that this record is accurate and that any required follow-up is recorded above.
