Block end / reflection date

Complete START scores before training and END scores after the block. Use 1-2 little/no experience; 3-4 close support; 5-6 some support; 7-8 usually safe and consistent with limited support; 9-10 independent within role and able to explain/verify. Leave unassessed areas blank and explain why.

Scores support reflection; they do not replace formal assessment or establish competence.

Area	What has changed in your knowledge, skills and behaviours?	START /10	END /10
Knowledge 1	Explain dent repair, pulling and metal-finishing principles and limits.		
Knowledge 2	Explain filler preparation, contour checks and requirements for paint handover.		
Skill 1	Select and use suitable repair tools to restore panel shape within method limits.		
Skill 2	Check contours and surface quality and document the handover condition.		
Behaviour 1	Work carefully to avoid overworking material and unnecessary rework.		
Behaviour 2	Communicate remaining defects and agree the next repair stage.		

START: What relevant experience do you already have?
